Dear Hannibal,

You hereby agree and certify that my membership in the A-Team does not, and will not require me to fly on any type of aircraft, either fixed wing or helicopter.

By signing this declaration, you therefore agree to:

1. Assist me in pitying any and all fools (hereafter referred to as "**the fools**") who may try to convince me to fly.
2. Hold harmless any and all knuckles involved in the preparation and consumption of "**knuckle sandwiches**," to parties and/or "**the fools**" involved or nearby the attempt to make me fly.
3. Not utilize or deploy narcotics in the pursuit of efforts to put me onto a plane, even when said efforts might seem to be in my best interests.
4. Not allow certain certified fools, including but not limited to H.M. Murdoch, to pilot any airborne vehicle in my vicinity.
5. Shut up any and all fools.
6. I ain't gettin' on no plane, Hannibal.

You further agree that any further discussion of agreed upon points will be classified strictly as "**jibba jabba**" and also agree that there is no time for said "**jibba jabba**" currently, nor in future discussions.
