

## APPLE.COM - ICLOUD TERMS OF SERVICE

THIS LEGAL AGREEMENT BETWEEN YOU AND APPLE GOVERNS YOUR USE OF THE iCloud PRODUCT, SOFTWARE, SERVICES, AND WEBSITES (COLLECTIVELY REFERRED TO AS THE “SERVICE”). IT IS IMPORTANT THAT YOU READ AND UNDERSTAND THE FOLLOWING TERMS. BY CLICKING & “AGREE,” YOU ARE AGREEING THAT THESE TERMS WILL APPLY IF YOU CHOOSE TO ACCESS OR USE THE SERVICE.

Apple is the provider of the Service, which permits you to utilize certain Internet services, including storing your personal content (such as contacts, calendars, photos, notes, reminders, documents, app data, and iCloud email) and making it accessible on your compatible devices and computers, and certain location based services, only under the terms and conditions set forth in this Agreement. As soon as you enable iCloud, your content will be automatically sent to and stored by Apple, so you can later access that content or have content wirelessly pushed to your other iCloud-enabled devices or computers. “Apple” as used herein means:

- Apple Inc., located at 1 Infinite Loop, Cupertino, California, for users in North, Central, and South America (excluding Canada), as well as United States territories and possessions; and French and British possessions in North America, South America, and the Caribbean;
- Apple Canada, located at 7495 Birchmount Road, Markham, ON L3R 5G2 for users in Canada or its territories and possessions;
- iTunes K.K., located at Roppongi Hills, 6-10-1 Roppongi, Minato-ku, Tokyo 106-6140, Tokyo for users in Japan;
- Apple Pty Limited, located at Level 13, Capital Centre, 255 Pitt Street, Sydney NSW 2000, Australia, for users in Australia, New Zealand, including island possessions, territories, and affiliated jurisdictions; and
- iTunes Sarl, located at 31-33, rue Sainte Zithe, L-2763 Luxembourg, for all other users.

The Service is only available to individuals aged 13 years or older, unless you are under 13 years old and your Apple ID was provided to you as a result of a request by an approved educational institution. If you are 13 or older but under the age of majority in your country of residence, you must review this Agreement with your parent or guardian to make sure that you and your parent or guardian understand it. Parents or guardians should also remind any minors that conversing with strangers on the Internet can be dangerous and take appropriate precautions to protect children, including monitoring their use of the Service.

To use the Service, you cannot be a person barred from receiving the Service under the laws of the

United States or other applicable jurisdictions, including the country in which you reside or from where you use the Service. By accepting this Agreement, you represent that you understand and agree to the foregoing.

Use of the Service requires compatible devices, Internet access, and certain software (fees may apply); may require periodic updates; and may be affected by the performance of these factors. Apple reserves the right to limit the number of Accounts that may be created from a device and the number of devices associated with an Account. High-speed Internet access is strongly recommended for use. The latest version of required software is recommended to access the Service and may be required for certain transactions or features. You agree that meeting these requirements, which may change from time to time, is your responsibility.

Apple and its partners and licensors may provide certain features or services through the Service (e.g. Find My iPhone, Find My Friends) that rely upon device-based location information, which use GPS (where available), along with crowd-sourced Wi-Fi hotspot and cell tower locations. To provide such features or services, where available, Apple and its partners and licensors must collect, use, transmit, process and maintain your location data, including but not limited to the geographic location of your device and information related to your iCloud account (“Account”) and any devices registered thereunder, including but not limited to your Apple ID, device ID and name, and device type. You hereby agree and consent to Apple’s and its partners’ and licensors’ collection, use, transmission, processing and maintenance of such location and account data to provide and improve such features or services.

You may withdraw this consent at any time by not using the location-based features and turning off the Find My iPhone, Find My Friends, or Location Services settings (as applicable) on your device and computer. When using third party services that use or provide location data as part of the Service, you are subject to and should review such third party’s terms and privacy policy on use of location data by such third party services. Any location data provided by the Service is not intended to be relied upon in situations where precise location information is needed or where erroneous, inaccurate, time-delayed or incomplete location data may lead to death, personal injury, property or environmental damage. Apple shall use reasonable skill and due care in providing the Service, but neither Apple nor any of its content providers guarantees the availability, accuracy, completeness, reliability, or timeliness of location data or any other data displayed by the Service.

The Find My iPhone and Find My Mac features are intended for your personal use only. When enabled on your iOS device or Mac, these features can be used to help locate, play a sound on, or remotely erase your own iOS device or Mac, or remotely enable Lost Mode on your iOS device. If you believe you have lost your iOS device, you should enable Lost Mode immediately to help prevent anyone from using or selling your iOS device or accessing your data. You are responsible for protecting your iOS device with a passcode, enabling Lost Mode on a lost iOS device, and responding to all notices and communications about your iOS device. Failure to do so may result in loss of data or access to your data by a third party, the inability to locate or recover a lost or stolen iOS device, or the inability to prevent the sale or use of a lost or stolen iOS device. Apple

shall bear no responsibility for your failure to protect your iOS device with a passcode, enable Lost Mode, and/or receive or respond to notices and communications, or for returning your iOS device to you or any loss of data on your iOS device.

When Find My iPhone is enabled on iOS devices running iOS 7 or later, your iOS device will be automatically linked to your Apple ID, and your Apple ID password will be required before anyone (including you) can turn off Find My iPhone, sign out of iCloud on the iOS device, erase the iOS device to restore it to factory settings, or activate the iOS device, such as after it has been erased, the SIM card has been removed, or a device firmware update or software restore has been applied. Apple and its authorized agents may not perform hardware or software support services, including services under Apple's limited warranty, unless you disable Find My iPhone prior to service.

iOS devices must be on and connected to the Internet (via a data network such as 3G or a registered Wi-Fi network) to be located. Macs must be on and not asleep, connected to the Internet, with Wi-Fi on and within the range of a registered Wi-Fi network to be located. If your missing iOS device has Lost Mode enabled, it can keep track of its recent locations where it was powered on and connected to the Internet, and show you the history of those locations for the last 24 hours, when you locate the iOS device using Find My iPhone. If your iOS device or Mac has been remotely erased, you cannot locate, play a sound on, or cancel the remote erase for that iOS device or Mac, or enable Lost Mode for that iOS device. Location requests will impact battery life of the located iOS device or Mac. If you believe your iOS device or Mac has been stolen you should seek assistance from your local law enforcement and use the features of Find My iPhone such as Lost Mode for your iOS device or locking or erasing your iOS device or Mac to protect your data. Once you have requested your iOS device's or Mac's location, and the iOS device or Mac has been located on a map, you can view the last location of your iOS device or Mac after your initial request for a period of up to 24 hours. Apple then deletes that information within 24 hours of your initial request. THE LOCATION-BASED SERVICES OF THIS FEATURE ARE NOT INTENDED OR SUITABLE FOR USE AS AN EMERGENCY LOCATOR SYSTEM.

The Find My Friends app, available for download from the App Store (compatible hardware and software required), allows you to share your location with a limited number of other users via your devices, upon acceptance of requests from those users. You may also view the location of a limited number of other users who have accepted your requests to do so, via their devices. You may set your device to automatically notify other users when you leave or arrive at a location, and, after you have established a friend relationship, set your device to notify you when those users leave or arrive at a location. You may also choose to temporarily share your location with a limited number of groups set up by you or another user, and see locations of all members of those groups. You may temporarily hide your device's location from all other users. You may revoke acceptance of another user's permission to see your location. You may turn off the feature by signing out of or uninstalling the Find My Friends app from your device. You may also use restrictions in iOS settings to prevent unauthorized changes to the settings you have selected, including acceptance of

follow requests or hiding location. Location requests will impact battery life of the located device. THE LOCATION-BASED SERVICES OF THIS FEATURE ARE NOT INTENDED OR SUITABLE FOR USE AS AN EMERGENCY LOCATOR SYSTEM.

Automatic backup is available for iOS devices, and occurs periodically, when the device is screen locked, connected to a power source, and connected to the Internet via a Wi-Fi network. iCloud will store your last three backups; however, if a device has not backed up to iCloud for a period of one hundred and eighty (180) days, Apple reserves the right to delete the backups associated with that device. Backup is limited to device settings, device characteristics, photos and videos, messages (iMessage, SMS, and MMS), ringtones, app data, location settings (such as location-based reminders that you have set up), and Home screen and app organization. Content purchased from the iTunes Store, App Store, or iBookstore is not backed up, but may be eligible for download from those services, subject to account requirements, availability, and the applicable terms and conditions. Media synced from your computer is not backed up. Your iCloud email, contacts, calendars, bookmarks, and documents are stored in, and can be accessed from, iCloud. Apple shall use reasonable skill and due care in providing the Service, but, TO THE GREATEST EXTENT PERMISSIBLE BY APPLICABLE LAW, APPLE DOES NOT GUARANTEE OR WARRANT THAT ANY CONTENT YOU MAY STORE OR ACCESS THROUGH THE SERVICE WILL NOT BE SUBJECT TO INADVERTENT DAMAGE, CORRUPTION, LOSS, OR REMOVAL IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT, AND APPLE SHALL NOT BE RESPONSIBLE SHOULD SUCH DAMAGE, CORRUPTION, LOSS, OR REMOVAL OCCUR. It is your responsibility to maintain appropriate alternate backup of your information and data.

When iCloud Backup is enabled, your device will not back up to iTunes automatically during a sync, but you may choose to manually initiate a backup to iTunes.

When My Photo Stream is enabled on your device or computer, new photos taken on your device or imported to your computer will be uploaded to iCloud, and then automatically downloaded to your other devices or computers on which My Photo Stream is also enabled. The downloaded photos will appear in a My Photo Stream view or folder on the device.

Photo resolution may vary according to the device to which they are downloaded. A Wi-Fi connection is required for use of My Photo Stream on devices. Apple reserves the right to place limits on the number and/or size of photos that can be uploaded during a given time period in order to limit unintended or excessive use of the service.

Photos uploaded to photo stream for use with My Photo Stream are automatically deleted subject to applicable time and number limits. Devices store a limited number of the most recent photos in the My Photo Stream album or view; the oldest photos in excess of the current limitation will be automatically deleted as new photo stream photos are downloaded.

When iCloud Photo Sharing is enabled, you may share selected photos and compatible videos with

others on compatible systems, or publicly on the Internet, by creating a shared photo stream. The users with whom you share may comment on the photos or share their own photos and videos, and those comments, photos, and videos will be shared with other users with whom you have shared the photo stream. The owner of a photo stream can delete any comments, photos or videos in the stream; however, a contributor may only delete the photos or videos that they have contributed or the comments on those photos or videos while the owner is sharing the photo stream with that contributor.

The size of any given shared photo stream may be subject to photo, video, or recipient number, and/or size limitations. Downloaded photos can be manually saved. Shared photo streams will use a cellular connection if Wi-Fi is not available.

Apple reserves the right to modify or terminate the Service (or any part thereof), either temporarily or permanently. Apple may post on our website and/or will send an email to the primary address associated with your Account to provide notice of any material changes to the Service. It is your responsibility to check your iCloud email address and/or primary email address registered with Apple for any such notices. You agree that Apple shall not be liable to you or any third party for any modification or cessation of the Service. If you have paid to use the Service and we terminate it or materially downgrade its functionality, we will provide you with a pro rata refund of any pre-payment.

You agree to use the Service only for purposes as permitted by this Agreement and any applicable law, regulation, or generally accepted practice in the applicable jurisdiction. Your Account is allocated 5GB of storage capacity as described in the iCloud feature pages. Additional storage is available for purchase, as described below. Exceeding any applicable or reasonable limitation of bandwidth, or storage capacity (for example, backup or email account space) is prohibited and may prevent you from backing up to iCloud, adding documents, or receiving new email sent to your iCloud email address. If your use of the Service or other behavior intentionally or unintentionally threatens Apple's ability to provide the Service or other systems, Apple shall be entitled to take all reasonable steps to protect the Service and Apple's systems, which may include suspension of your access to the Service. Repeated violations of the limitations may result in termination of your Account.

The Service, or any feature or part thereof, may not be available in all languages or in all countries and Apple makes no representation that the Service, or any feature or part thereof, is appropriate or available for use in any particular location. To the extent you choose to access and use the Service, you do so at your own initiative and are responsible for compliance with any applicable laws, including, but not limited to, any applicable local laws.

From time to time, Apple may choose to offer new and/or updated features of the Service (the "Beta Features") as part of a Public Beta Program (the "Program") for the purpose of providing Apple with feedback on the quality and usability of the Beta Features. You understand and agree that your participation in the Program is voluntary and does not create a legal partnership, agency,

or employment relationship between you and Apple, and that Apple is not obligated to provide you with any Beta Features. Apple may make such Beta Features available to Program participants by online registration or enrollment via the Service. You understand and agree that Apple may collect and use certain information from your Account, devices and peripherals in order to enroll you in a Program and/or determine your eligibility to participate. You understand that once you enroll in a Program you may be unable to revert back to the earlier non-beta version of a given Beta Feature. In the event such reversion is possible, you may not be able to migrate data created within the Beta Feature back to the earlier non-beta version. Your use of the Beta Features and participation in the Program is governed by this Agreement and any additional license terms that may separately accompany the Beta Features. The Beta Features are provided on an “AS IS” and “AS AVAILABLE” basis and may contain errors or inaccuracies that could cause failures, corruption or loss of data and/or information from your device and from peripherals (including, without limitation, servers and computers) connected thereto. Apple strongly encourages you to backup all data and information on your device and any peripherals prior to participating in any Program. You expressly acknowledge and agree that all use of the Beta Features is at your sole risk. YOU ASSUME ALL RISKS AND ALL COSTS ASSOCIATED WITH YOUR PARTICIPATION IN ANY PROGRAM, INCLUDING, WITHOUT LIMITATION, ANY INTERNET ACCESS FEES, BACKUP EXPENSES, COSTS INCURRED FOR THE USE OF YOUR DEVICE AND PERIPHERALS, AND ANY DAMAGE TO ANY EQUIPMENT, SOFTWARE, INFORMATION OR DATA. Apple may or may not provide you with technical and/or other support for the Beta Features. If support is provided it will be in addition to your normal support coverage for the Service and only available through the Program. You agree to abide by any support rules or policies that Apple provides to you in order to receive any such support. Apple reserves the right to modify the terms, conditions or policies of the Program (including ceasing the Program) at any time with or without notice, and may revoke your participation in the Program at any time. You acknowledge that Apple has no obligation to provide a commercial version of the Beta Features, and that should such a commercial version be made available, it may have features or functionality different than that contained in the Beta Features. As part of the Program, Apple will provide you with the opportunity to submit comments, suggestions, or other feedback regarding your use of the Beta Features. You agree that in the absence of a separate written agreement to the contrary, Apple will be free to use any feedback you provide for any purpose.

Additional storage is available for purchase on a subscription basis.

The Service accepts credit cards and certain payment accounts (where available) for payment, and will automatically charge the payment method associated with your Apple ID (e.g., the payment method you use to shop on the iTunes Store, App Store, or iBookstore, if available). Apple may obtain preapproval for an amount up to the amount of the transaction. Storage upgrade fees are billed annually, in advance of provision of the service. Billing occurs at the time of or shortly after your transaction. You agree that you will pay for the upgrades you purchase through the Service, and that Apple may charge your credit card or payment account for any upgrades purchased and for

any additional amounts (including any taxes and late fees, as applicable) that may be accrued by or in connection with your Account, and that Apple may continue to charge your credit card or payment account for all fees or charges associated with your subscription on an annual basis until you change or cancel the subscription. This means that unless you change or cancel your subscription prior to the next annual billing date, we will charge your credit card or payment account the then-current fees on that next annual billing date.

About thirty (30) days prior to your annual billing date, we will notify you by email to the email address associated with your Apple ID that your Account is about to be billed and to remind you that your credit card or payment account will be billed the indicated fees on the annual billing date. You can change your subscription by upgrading or downgrading your storage under the iCloud section of Settings on your device, or under the iCloud pane of System Preferences on your Mac or iCloud Control Panel on your computer. The applicable storage fee for an upgraded storage plan will take effect immediately; downgrades to your storage plan will take effect on the next annual billing date. **YOU ARE RESPONSIBLE FOR THE TIMELY PAYMENT OF ALL FEES AND FOR PROVIDING APPLE WITH VALID CREDIT CARD OR PAYMENT ACCOUNT DETAILS FOR PAYMENT OF ALL FEES.** All fees will be billed to the credit card or payment account you designate during the registration process. If Apple is unable to successfully charge your credit card or payment account for fees due, Apple reserves the right to revoke or restrict access to your stored Content, delete your stored Content, or terminate your Account. If you want to designate a different credit card or payment account or if there is a change in your credit card or payment account status, you must change your information online in the Account Information section of iCloud; this may temporarily disrupt your access to the Services while Apple verifies your new payment information.

Your total price will include the price of the upgrade plus any applicable credit card fees and any sales, use, goods and services (GST), value added (VAT), or other similar tax, under applicable law and based on the tax rate in effect at the time you purchase the upgrade. We will charge tax when required to do so under the tax rules applicable to the Service.

You may consult your Account management page on your device for details on your Account information including payment method and billing currency. Apple will send an electronic invoice to the email address associated with your Apple ID whenever any Service fees are charged to your Account. If you believe you have been billed in error for the Service please try and notify us within 45 days of the billing date by contacting iCloud Support at [www.apple.com/support/icloud](http://www.apple.com/support/icloud).

All fees and charges paid by you in relation to the Service are nonrefundable, except as required by law or as otherwise stated herein. You may contact Apple for a full refund within 15 days of an initial upgrade purchase or within 45 days of a subsequent yearly payment. To request a refund as described herein go to [www.apple.com/support/icloud](http://www.apple.com/support/icloud) for more details. Applicable local law may vary this policy. Please contact iCloud Support for details.

You can cancel your subscription by downgrading your storage to the free 5GB plan under Storage

Plan in your iCloud Account Information on your device, from your iCloud Account view in System preferences on your Mac, or from your iCloud Account view in the iCloud Control Panel for Windows on your PC. Your paid subscription will be cancelled on your next annual billing date. Partial refunds are available where required by law.

Apple may at any time, upon notice required by applicable law, change the price of the storage upgrades or any part thereof, or institute new charges or fees. Price changes and institution of new charges implemented during your subscription billing year will apply to subsequent subscription billing years and to all new subscribers after the effective date of the change. If you do not agree to any such price changes, then you must cancel and stop using the storage upgrade.

As a registered user of the Service, you may establish an Account. Don't reveal your Account information to anyone else. You are solely responsible for maintaining the confidentiality and security of your Account and for all activities that occur on or through your Account, and you agree to immediately notify Apple of any security breach of your Account. You further acknowledge and agree that the Service is designed and intended for personal use on an individual basis and you should not share your Account and/or password details with another individual. Provided we have exercised reasonable skill and due care, Apple shall not be responsible for any losses arising out of the unauthorized use of your Account resulting from you not following these rules.

In order to use the Service, you must enter your Apple ID and password to authenticate your Account. You agree to provide accurate and complete information when you register with, and as you use, the Service ("Service Registration Data"), and you agree to update your Service Registration Data to keep it accurate and complete. Failure to provide accurate, current and complete Service Registration Data may result in the suspension and/or termination of your Account. You agree that Apple may store and use the Service Registration Data you provide for use in maintaining and billing fees to your Account.

Particular components or features of the Service provided by Apple and/or its licensors, including but not limited to the ability to download previous purchases and iTunes Match (additional fees apply), require separate software or other license agreements or terms of use. You must read, accept, and agree to be bound by any such separate agreement as a condition of using these particular components or features of the Service.

Nothing in this Agreement shall be construed to convey to you any interest, title, or license in an Apple ID, email address, domain name, iChat ID, or similar resource used by you in connection with the Service.

You agree that your Account is non-transferable and that any rights to your Apple ID or Content within your Account terminate upon your death. Upon receipt of a copy of a death certificate your Account may be terminated and all Content within your Account deleted. Contact iCloud Support at [www.apple.com/support/icloud](http://www.apple.com/support/icloud) for further assistance.

You agree that you will not reproduce, copy, duplicate, sell, resell, rent or trade the Service (or any part thereof) for any purpose.

You understand that by using the Service, you consent and agree to the collection and use of certain information about you and your use of the Service in accordance with Apple's Privacy Policy. You further consent and agree that Apple may collect, use, transmit, process and maintain information related to your Account, and any devices or computers registered thereunder, for purposes of providing the Service, and any features therein, to you. Information collected by Apple when you use the Service may also include technical, statistical, or diagnostic information related to or resulting from your use that may be used by Apple to support, improve and enhance Apple's products and services. For more information please read our full privacy policy at <http://www.apple.com/privacy/>. You further understand and agree that this information may be transferred to the United States and/or other countries for storage, processing and use by Apple, its affiliates, and/or their service providers. Please note that personal information regarding individuals who reside in a member state of the European Economic Area (EEA) is controlled by Apple Distribution International in Cork, Ireland.

"Content" means any information that may be generated or encountered through use of the Service, such as data files, device characteristics, written text, software, music, graphics, photographs, images, sounds, videos, messages and any other like materials. You understand that all Content, whether publicly posted or privately transmitted on the Service is the sole responsibility of the person from whom such Content originated. This means that you, and not Apple, are solely responsible for any Content you upload, download, post, email, transmit, store or otherwise make available through your use of the Service. You understand that by using the Service you may encounter Content that you may find offensive, indecent, or objectionable, and that you may expose others to Content that they may find objectionable. Apple does not control the Content posted via the Service, nor does it guarantee the accuracy, integrity or quality of such Content. You understand and agree that your use of the Service and any Content is solely at your own risk.

a. upload, download, post, email, transmit, store or otherwise make available any Content that is unlawful, harassing, threatening, harmful, tortious, defamatory, libelous, abusive, violent, obscene, vulgar, invasive of another's privacy, hateful, racially or ethnically offensive, or otherwise objectionable;

d. pretend to be anyone, or any entity, you are not — you may not impersonate or misrepresent

yourself as another person (including celebrities), entity, another iCloud user, an Apple employee, or a civic or government leader, or otherwise misrepresent your affiliation with a person or entity (Apple reserves the right to reject or block any Apple ID or email address which could be deemed to be an impersonation or misrepresentation of your identity, or a misappropriation of another person's name or identity);

e. engage in any copyright infringement or other intellectual property infringement (including uploading any content to which you do not have the right to upload), or disclose any trade secret or confidential information in violation of a confidentiality, employment, or nondisclosure agreement;

k. gather and store personal information on any other users of the Service to be used in connection with any of the foregoing prohibited activities.

You acknowledge that Apple is not responsible or liable in any way for any Content provided by others and has no duty to pre-screen such Content. However, Apple reserves the right at all times to determine whether Content is appropriate and in compliance with this Agreement, and may pre-screen, move, refuse, modify and/or remove Content at any time, without prior notice and in its sole discretion, if such Content is found to be in violation of this Agreement or is otherwise objectionable.

You are responsible for backing up, to your own computer or other device, any important documents, images or other Content that you store or access via the Service. Apple shall use reasonable skill and due care in providing the Service, but Apple does not guarantee or warrant that any Content you may store or access through the Service will not be subject to inadvertent damage, corruption or loss.

Apple reserves the right to take steps Apple believes are reasonably necessary or appropriate to enforce and/or verify compliance with any part of this Agreement. You acknowledge and agree that Apple may, without liability to you, access, use, preserve and/or disclose your Account information and Content to law enforcement authorities, government officials, and/or a third party, as Apple believes is reasonably necessary or appropriate, if legally required to do so or if we have a good faith belief that such access, use, disclosure, or preservation is reasonably necessary to: (a) comply with legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Apple, its users, a third party, or the public as required or permitted by law.

If you believe that any Content in which you claim copyright has been infringed by anyone using the Service, please contact Apple's Copyright Agent as described in our Copyright Policy at <http://www.apple.com/legal/trademark/claimsofcopyright.html>. Apple may, in its sole discretion, suspend and/or terminate Accounts of users that are found to be repeat infringers.

If while using the Service, you encounter Content you find inappropriate, or otherwise believe to be a violation of this Agreement, you may report it by sending an email to [abuse@iCloud.com](mailto:abuse@iCloud.com).

Except for material we may license to you, Apple does not claim ownership of the materials and/or Content you submit or make available on the Service. However, by submitting or posting such Content on areas of the Service that are accessible by the public or other users with whom you consent to share such Content, you grant Apple a worldwide, royalty-free, non-exclusive license to use, distribute, reproduce, modify, adapt, publish, translate, publicly perform and publicly display such Content on the Service solely for the purpose for which such Content was submitted or made available, without any compensation or obligation to you. You agree that any Content submitted or posted by you shall be your sole responsibility, shall not infringe or violate the rights of any other party or violate any laws, contribute to or encourage infringing or otherwise unlawful conduct, or otherwise be obscene, objectionable, or in poor taste. By submitting or posting such Content on areas of the Service that are accessible by the public or other users, you are representing that you are the owner of such material and/or have all necessary rights, licenses, and authorization to distribute it.

You understand that in order to provide the Service and make your Content available thereon, Apple may transmit your Content across various public networks, in various media, and modify or change your Content to comply with technical requirements of connecting networks or devices or computers. You agree that the license herein permits Apple to take any such actions.

Apple, the Apple logo, iCloud, the iCloud logo and other Apple trademarks, service marks, graphics, and logos used in connection with the Service are trademarks or registered trademarks of Apple Inc. in the US and/or other countries. A list of Apple's trademarks can be found here - <http://www.apple.com/legal/trademark/appletmlist.html>. Other trademarks, service marks, graphics, and logos used in connection with the Service may be the trademarks of their respective

owners. You are granted no right or license in any of the aforesaid trademarks, and further agree that you shall not remove, obscure, or alter any proprietary notices (including trademark and copyright notices) that may be affixed to or contained within the Service.

You acknowledge and agree that Apple and/or its licensors own all legal right, title and interest in and to the Service, including but not limited to graphics, user interface, the scripts and software used to implement the Service, and any software provided to you as a part of and/or in connection with the Service (the “Software”), including any and all intellectual property rights that exist therein, whether registered or not, and wherever in the world they may exist. You further agree that the Service (including the Software, or any other part thereof) contains proprietary and confidential information that is protected by applicable intellectual property and other laws, including but not limited to copyright. You agree that you will not use such proprietary information or materials in any way whatsoever except for use of the Service in compliance with this Agreement. No portion of the Service may be reproduced in any form or by any means, except as expressly permitted in these terms.

Apple grants you a personal, non-exclusive, non-transferable, limited license to use the Software as provided to you by Apple as a part of the Service and in accordance with this Agreement; provided that you do not (and do not permit anyone else to) copy, modify, rent, loan, distribute, create a derivative work of, reverse engineer, decompile, or otherwise attempt to discover the source code (unless expressly permitted or required by law), sell, lease, sublicense, assign, grant a security interest in or otherwise transfer any right in the Software, and you shall not exploit the Service in any unauthorized way whatsoever, including, but not limited to, by trespass or burdening network capacity. THE USE OF THE SOFTWARE OR ANY PART OF THE SERVICE, EXCEPT FOR USE OF THE SERVICE AS PERMITTED IN THIS AGREEMENT, IS STRICTLY PROHIBITED AND INFRINGES ON THE INTELLECTUAL PROPERTY RIGHTS OF OTHERS AND MAY SUBJECT YOU TO CIVIL AND CRIMINAL PENALTIES, INCLUDING POSSIBLE MONETARY DAMAGES, FOR COPYRIGHT INFRINGEMENT.

Use of the Service and Software, including transferring, posting, or uploading data, software or other Content via the Service, may be subject to the export and import laws of the United States and other countries. You agree to comply with all applicable export and import laws and regulations. In particular, but without limitation, the Software may not be exported or re-exported (a) into any U.S. embargoed countries or (b) to anyone on the U.S. Treasury Department’s list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person’s List or Entity List. By using the Software or Service, you represent and warrant that you are not located in any such country or on any such list. You also agree that you will not use the Software or Service for any purposes prohibited by United States law, including, without limitation, the development, design, manufacture or production of missiles, nuclear, chemical or biological weapons. You further agree not to upload to your Account any data or software that cannot be exported without prior written government authorization, including, but not limited to, certain types of encryption

software, without first obtaining that authorization. This assurance and commitment shall survive termination of this Agreement.

In addition, Apple may terminate your Account upon prior notice via email to the address associated with your Account if (a) your Account has been inactive for one (1) year; or (b) there is a general discontinuance or material modification to the Service or any part thereof. Any such termination or suspension shall be made by Apple in its sole discretion and Apple will not be responsible to you or any third party for any damages that may result or arise out of such termination or suspension of your Account and/or access to the Service, though it will refund pro rata any pre-paid fees or amounts.

Upon termination of your Account you will lose all access to the Service and any portions thereof, including, but not limited to, your Account, Apple ID, email account, and Content.
