PriceGrabber provides a number of different services to assist you in comparison shopping for products and services on the Site. PriceGrabber is paid by merchants or other third parties for listing products and services on the Site and for promotions such as featured merchants, featured products and showcases. Additionally, through the PriceGrabber Storefronts Service, PriceGrabber provides a venue allowing users who open member accounts through the PriceGrabber Member Agreement ("Member(s)"), including both individuals and merchants, to list for sale new and used products that are described on the Site. PriceGrabber receives a transaction fee from Storefronts sellers when a Member has completed the purchase of an item made available by a Member for sale on the Site. Members may list up to fifty products for no listing fee. All products listed beyond the fifty product limit are subject to a listing fee.

PriceGrabber does not sell, resell or license any of the products listed on the Site, nor is PriceGrabber acting as an agent of sale, and PriceGrabber disclaims any responsibility for, or liability related to, such products and services (see Disclaimer of Warranties and Limitation of Liability, below). Any questions, complaints or claims related to any product should be directed to the appropriate merchant or seller.

PriceGrabber does not warrant that product descriptions, pricing, editorial commentary or any other content of the Site, regardless of its source, is accurate, complete, reliable, current or error-free. Site content is provided for informational purposes only and does not constitute an endorsement by PriceGrabber of any product, merchant, seller, service, or any reviews or comments thereof regardless of the source of such review or comment. PriceGrabber assumes no liability for inaccuracy or incompleteness in its search results, editorial content, user ratings (e.g. user merchant rating, or user product rating) or other content on the Site.

A note about Mature Content Channel Listings. PriceGrabber provides a platform for the display of materials which may, in some jurisdictions, be considered "mature" content. No representation or warranty is made regarding the types of products, their use or any compliance with law related to their display or use. Availability of such content is reserved for users self-identifying as meeting the age requirements for access.

By contributing or submitting any content to the Site, you warrant that you are the author and owner of the intellectual property rights thereto or have the appropriate license and sublicense rights from the owner, and you grant PriceGrabber a worldwide, perpetual, irrevocable, royalty-free, transferable right and license to use, copy, modify, delete in its entirety, adapt, publish,

translate, create derivative works from and/or sell and/or distribute such materials and/or incorporate such materials into any form, medium or technology, and you also grant the right to PriceGrabber to sublicense any and all of the foregoing rights to third parties, in all cases without compensation to you. In addition, you warrant that all "moral rights" that you may have in those materials have been voluntarily waived by you. None of the materials shall be subject to any obligation of confidence on the part of PriceGrabber, its agents, subsidiaries, affiliates, Licensors, co-brand partners or other partners and their respective directors, officers, employees, agents and representatives. PriceGrabber reserves the right to change, condense or delete any content on the Site that PriceGrabber deems, in its sole discretion, to violate the content guidelines or any other provision of this Agreement.

In contributing or submitting any content to the Site, you agree not to use a false or misleading email address, impersonate any person or entity, or otherwise provide any misleading information as to the origin of any content that you submit. You should also note your obligations to indemnify PriceGrabber (among others) for the content you submit as set forth in the indemnity section, below.

You agree that you will not use any device, software or routine to bypass our robot exclusion headers, or to interfere or attempt to interfere with the proper working of the Site or any sales being conducted through the Site. You agree that you will not take any action that imposes an unreasonable or disproportionately large load on PriceGrabber's computer systems or communications infrastructure. You agree that you will not use any software robot, spider, other automatic device or manual process to monitor or copy Site pages or the content contained therein without PriceGrabber's prior written consent.

Review only one product at a time, based on your own experience. Do not copy material from other sources.

Describe why you would or would not recommend that others purchase this product. Be Specific.

Remember, offensive language & commercial endorsements are not allowed.

Contact information, such as email addresses, phone numbers, or URLs, is strictly prohibited and will result in the deletion of the post.

You may submit a merchant review through the Merchant Ratings System on the Site or through the Shopper Satisfaction Survey to describe your shopping experiences with merchants.

- You may submit a merchant review only in good faith and about a merchant from whom you have actually purchased or attempted to purchase products, limited to where you have (i) completed the ordering process, (ii) exchanged payment data, and/or (iii) received an invoice number.
- You agree to submit the corresponding and legitimate invoice number or equivalent confirmation of order number/identifier when submitting the merchant review ("Invoice

Number"). You acknowledge and agree that the Invoice Number will be made available by PriceGrabber to the applicable merchant in conjunction with your review, and accordingly, the merchant may be able to contact you regarding your review or otherwise.

- You may only describe your experience with the merchant for which you are writing a merchant review. You should not review any merchant on situations that are not controlled by the merchant you are reviewing.
- You may submit no more than one merchant review of a particular merchant in any thirty (30) day period.
- Any merchant review that you submit is subject to the conditions and restrictions described in the CONTENT SUBMISSION section, above.
- You acknowledge and agree that PriceGrabber may, in its sole discretion, post only the first ten (10) merchant reviews it receives from users (which may not include your review) that are related, on a case by case basis and in whole or in part, to a product or service listing error by a merchant, such as, but not limited to, an error in the price of a product(s) or a service, the number of units of a product(s) available for a certain price, the shipping rates for product(s), or inventory levels.

Upon becoming aware of the same, PriceGrabber will omit any merchant review that it determines on the face of the review (only) violates any requirements in this Terms of Use or the Member Agreement. PriceGrabber will not itself edit or modify the contents of a merchant review; it will only remove a review in accordance with the foregoing.

By providing the Invoice Number, you acknowledge and agree that you may be contacted by PriceGrabber and/or the applicable merchant to which/whom the invoice relates. You acknowledge and agree that your review may not be displayed if the Invoice Number does not match the associated information in PriceGrabber's records. A merchant may dispute the validity of an invoice identified by you and may submit a complaint to PriceGrabber. This may result in PriceGrabber opening a user review inquiry. During the user review inquiry, PriceGrabber may, in its sole discretion, remove the contested review, and/or require additional data or proof from the user to determine whether the review should remain or be reinstated on the Site. Failure of the user to participate in the user review inquiry will result in the removal of the contested review from the Site.

In addition, PriceGrabber may transmit information to a merchant, such as an invoice number, which may permit the merchant to deduce the identity of a user/reviewer in the event that a merchant disputes a user review on the grounds that a transaction never took place between the user and the merchant and/or an order was never made by the user in each case for the applicable product(s)/service(s).

In certain instances, PriceGrabber may request that you provide secondary information (e.g., demographic information), which we may use, for example, to learn more about our customers and to develop and improve our services. This information is collected to assist us in maintaining a high quality site, as well as, providing necessary traffic information to our advertisers. We currently contract with several online partners to help manage and optimize our Internet business and communications. We use the services of a marketing company to help us measure the effectiveness of our advertising and how visitors use our site. To do this, we use Web beacons and cookies provided by our marketing company on this site. The type of information we collect includes the product codes and prices for merchandise that visitors purchase, and the pages visited. By supplementing our records, this information helps us learn things like what pages are most attractive to our visitors, which of our products most interest our customers, and what kinds of offers our customers like to see. Although our marketing company logs the information coming from our site on our behalf, we control how that data may and may not be used. If you do not want to help us learn how to improve our site, products, offers and marketing strategy, you can "opt-out" of this website analysis tool by clicking here: <http://www.omniture.com/privacy/policy#optout>
